

PATIENTS SAVE TIME AND MONEY GETTING THEIR MEDICATION WITH **BLINKRx**

BlinkRx works with pharmaceutical manufacturers to help patients get their lowest available price on medications.

LOW PRICES FOR ALL RXs

No more prescribing to multiple pharmacies. Send your patient's full basket of RXs to BlinkRx and we find them their lowest available price.

FREE, FAST DELIVERY

We deliver the Rx, free, from one of our 7,000+ licensed pharmacy partners around the country.

SIMPLE PATIENT EXPERIENCE

Patients receive a text with their lowest available price and can immediately purchase online or over the phone.

AVAILABLE NATIONWIDE

Blink services the entire country.

PRIOR AUTH SUPPORT

Our technology takes the administrative hassle out of the prior authorization process, so your staff can focus on their patients.

DEDICATED CUSTOMER SUPPORT

Our team of pharmacists and technicians are available to support you, your team, and your patients with everything from onboarding to adherence.
